

Brayford Black

FREESTANDING ELECTRIC STOVE

BFD20E

Brayford Black

The cast iron effect Brayford is a compact and traditional freestanding electric stove featuring the realistic Optiflame effect with a log fuel bed giving the comfort of a real fire.

Operate using the convenient remote control or the manual controls, the Brayford has a choice of 2 heat settings and flame only effect provides the cosiness of a wood stove all year round without the hassle or environmental concerns of a real fire.

During colder spells, the thermostatic controls can set the fire to efficiently maintain the desired room temperature by automatically switching on and off.

This stove is a beautiful focal point for any contemporary space, and the convincing flame effect and remote control offers incredible features you will love.
